## **Third Monday Book Club** **Monday, March 18 | 12 p.m. | Conference Room**

Our selection for March is *The Henna Artist* by Alka Joshi, a native of India who moved with her family to America at the age of nine. *The Henna Artist* is set in northern India in 1955 and tells the story of seventeen-year-old Lakshmi who escapes an abusive marriage and makes her way alone to the vibrant 1950s pink city of Jaipur. There she becomes the most highly requested henna artist—and confidante—to the wealthy women of the upper class. Although trusted with the secrets of the wealthy, she can never reveal her own. Come join us to discuss this very interesting book!
