## “The Gifts of Christmas”

---

Ask most people what they anticipate most about Christmas and chances are that they’ll respond that they look forward to the gifts. That’s true not only for children but also for us adults. Who doesn’t like to be on the receiving end of something we didn’t pay for?

Of course, that reality has contributed volumes to the rampant commercialization of Christmas that we preachers rail against in this season of the year. Because Christmas can’t be defined by a package or a price tag, we do our best to call folk’s attention to the Bethlehem Baby and the manner in which His birth has changed everything for the better.

Nonetheless, Jesus’ birth can actually be seen as the greatest gift of all. None of us has done anything to merit His presence in our lives. Therefore, His coming at Christmas represents the highest expression of mercy and grace. We get what we don’t deserve and at the same time are spared from getting what we actually should receive.

These four Sundays before Christmas Day give us the opportunity to prepare our hearts for His coming; hence we speak of them as the Sundays of Advent. Over the course of these Sundays our worship will be ordered around the four “gifts” of Christmas: hope, peace, joy, and love. As we gather on each Sunday, let the emphasis on each gift have its way in your life so that when Christmas comes, you may have something much better than discarded wrapping paper and empty packages. You can be blessed with something that money cannot buy—the realization that God is with you and the assurance that the gifts His presence brings will never expire, lose their usefulness, or ever go out of style.

The Building Committee has worked with our architect team at Turner Batson to incorporate the input they have received in the presentations they have made to the church, lay leadership, and ministerial staff. A new redesign will be presented to the church at this conversation for the congregation's response. This redesign has received the affirmation of lay leadership and ministerial staff and promises to move the church's vision to make ministry possible become a reality. The last two Sundays, December 23 and 30, will involve a Combined Worship Service in the Sanctuary. The concurrent worship will begin on January 6, with Traditional Worship in the Sanctuary and Contemporary Worship in Heritage Hall.

Thanks for serving in this way.

## New Bible Reading Plan

We are adopting a new Bible reading plan for 2019. The plan, *Foundations 260*, highlights foundational passages every believer should know. Our children, youth, and adults are encouraged to follow this plan. You may access the plan for free online or utilize a Bible reading app. In addition to the daily readings, the book contains a brief devotional and space to record journal entries. Books designed for adults, children, and youth are available for purchase in the church office for \$10. To access links to the free online reading plan and apps, visit [www.mbbc.org/readingplan](http://www.mbbc.org/readingplan). We will continue to produce special Bible reading guides featuring staff devotionals during Advent and Lent.

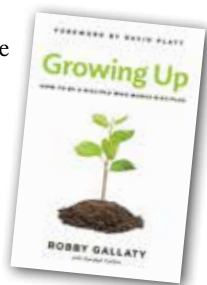

## VISION 2020 IMPLEMENTATION UPDATE

### Discipleship. We follow Jesus.

Part of the overall vision of the God-sized dream of Discipleship is to “provide small group experiences for every life stage group in the church, both on Sunday mornings as well as throughout the week.” How are we tracking the course of this particular element of discipleship? One has to look no further than to see the many small group activities present to encourage Christ-followers who hunger for deeper experiences with God. Our staff and many congregational members have helped start, support, and sustain the following small group experiences in our church. Refer to the weekly worship guides or church website to find the time and place your small group activity meets.

### Growth Groups

Have you seen this book in fellow church members’ hands lately? The Women’s Ministry piloted the Growth Group Discipleship program in the summer to a group of women and the response received from it has taken off! Participants meet each week to encourage each other in prayer, Scripture memorization, and in-depth Bible study as outlined in the book *Growing Up*. The program this summer was so successful that there are now five growth groups offered this fall for women, and the men are piloting the program to expand it into growth groups for winter 2019. This program is offered to encourage all adults of any age to delve further into their spiritual walk with others while following a Bible study plan. Here are some of the comments from participants:

*“I always tell three stories when asked about how the growth groups are going. One group began studying about fasting after reading about fasting in the gospels. They decided to each take a day to fast over the other women in their group. It was a powerful experience for them.*

*One week, a group leader texted me and told me how neat it was to see all the women coming to group with their sticky notes and commentary notes ready to discuss the passages! She was so encouraged that the Lord was doing His work through His Word.*

*Finally, one growth group member told me of a wonderful note she received from another member of a growth group, apologizing for something that happened years prior. She did not tell me the name of the individual, only that she admired her for writing and that she thought the growth group process was instrumental in her discipleship process and the lives of all involved.” - Mary Splawn, Minister of Connections*

*“The discipleship training study ‘Growing Up’ by Robby Gallaty was one of the most productive studies I have ever participated in. It provided structure and encouraged discipline in our daily walk of following Christ. It brought all of us closer together as a group.”* - Marilyn Ingram, Growth Group participant

*“All my life I’ve known that Jesus tells us to make disciples, but I’ve never really known how to go about it. This Growth Group is a step in the direction I’ve always known I should be walking. It’s wonderful to wrestle with Scripture memorization, Bible study, and prayer with sisters who love me and will hold me accountable!”*

- Natalie Smith, Growth Group co-leader

*“We have really enjoyed our growth group and have grown closer over these 10 weeks. The Scripture reading and memorizing (or trying to memorize!) along with reading the book ‘Growing Up’ has been great. Journaling and memorizing Scripture has been challenging and something new to all of us.”* - Jason Harkins, Vision 2020 Small Groups Liaison

Are you interested in participating in a group like this? Be on the lookout for more announcements soon regarding winter 2019 growth group meeting times for men and women.

### Christmas Gala

Thursday, December 13 | Hudson Hall | 6 p.m. | \$25

In April, our nine-foot Steinway concert grand piano, graciously donated to the church years ago by Harold and Elouise Williams, was shipped to Lindeblad Piano Restorations in New Jersey to undergo an extensive piano rebuilding project. In November, the piano was returned for regular service in our Sanctuary. It is customary to offer a dedication recital once the instrument is returned. Dr. Kely Hatley secured Anna Williams, daughter of Harold and Elouise, to deliver a piano Christmas concert as both our entertainment and rededication of our instrument to the Lord.

Anna is an accomplished pianist and arranger/composer of music who served First Baptist Church Montgomery for many years. She is currently the pianist of our sister church, Brookwood Baptist, in Mountain Brook. Anna is preparing a delightful program of a few classical pieces as well as lush Christmas arrangements that we will know and love. She plans to bring a few guest instrumentalists to help her. The evening is going to be spectacular and is not to be missed! As always, our own Cooks On A Mission will be catering our meal and it proves to be very delicious! We can seat 104 for dinner so hurry today to purchase your tickets by calling the church office (871-0331).

## ACTIVE Christian Living Trip: *The King and I*

Saturday, December 22 | BJCC Concert Hall | Depart church at 11:15 a.m. | Lunch at Nikki's West | Showtime 2:30 p.m. | \$64.50 per ticket plus money for lunch  
One of Rodgers & Hammerstein's finest works, *The King and I* boasts a score which features such beloved classics as "Getting To Know You," "I Whistle a Happy Tune," "Shall We Dance," and "Something Wonderful."

Set in 1860's Bangkok, the musical tells the story of the unconventional and tempestuous relationship between the King of Siam and Anna Leonowens, a British schoolteacher whom the modernist King, in an imperialistic world, brings to Siam to teach his many wives and children.

*The King and I* won four 2015 Tony Awards including Best Revival of a Musical. Led by strong female characters, *The King and I* focuses on the importance of seeing human dignity among cultural differences.

*Please call the church office (871-0331) today and make your reservation for these events.*

## Thank You!

Our low-impact projects for MBBC Service Day on October 20 will have a big impact! Approximately 30 people were busy filling Christmas backpacks for children living along the Mississippi River, filling bags of food for Backpack Buddies, making Christmas decorations for nursing home residents, and decorating Thanksgiving bags for Perry County. We filled 144 backpacks and 400 bags for Backpack Buddies, and made 150 decorations.

Thanks to everyone who provided funds, bought gifts, and helped with assembling these projects!

# Meet Our New Members

We are so excited to welcome our new members to Mountain Brook Baptist Church. In the following pages, you are going meet our new members and find out more about their faith journey.

## Kay and Keith Harrison Sam and Finn

**What led you to MBBC?** Our son Finn was attending the ELC. Everyone we encountered associated with the church was so friendly. We met a couple of members through Crestline Elementary and were welcomed to come and visit.

**What have you enjoyed the most about MBBC?** We love both services and the flexibility with children. We appreciate the Children's Ministry and all the time and attention that it is given. Also, we have found everyone to be welcoming and kind.

**Tell us about your faith.** Keith accepted Christ when he was seven years old in Dothan, Alabama. I accepted Christ at 15 years old in Columbiana, Alabama. We both grew up associated with a church family and knew that was a connection that was lacking in our life.

**Where were you born and raised?** Keith was born in Geneva, Alabama and grew up in Laurel, Mississippi and Dothan, Alabama. He attended First Baptist of Dothan and Hunter Street Baptist in Hoover. I grew up in Hoover and Columbiana, Alabama. My family and I attended Riverchase Church of Christ and Columbiana Church of Christ.

**Where do you work or go to school?** Keith works with Cunningham Pathology as a Neuropathologist. I work at ProEquities, Inc. as a Branch Examiner. Our son Sam is in first grade at Crestline Elementary and our youngest son Finn is in the 3K program here at MBBC in the ELC.

**Our hobbies and interests are ...** Keith likes to write music, paint, and sculpt, and we both enjoy being outdoors, riding bikes, and hiking.

**Our favorite restaurants are ...** Oh, we love to eat and are still exploring all the new options since moving into this area. No favorites yet, just lots of fun testing out new ones!

**Our favorite book of the Bible is ...** We are partial to 1 Samuel. The story of Hannah and her trials and petition to the Lord are moving and such an example of love and loyalty. Samuel's subsequent life story is a testament to leadership and devotion to God. On a second note, I'm going to change this question a little to tell my favorite hymn. I love "Sweet Hour of Prayer" (and all traditional church

hymns!). It is a lovely reminder to cast aside our worries and find some quiet time to submit to God.

**Is there anything else you would like to share with the church?** We are a little shy at times and private, but once we get comfortable can be quite outgoing. HAHA! It will take us a little time to find our place in the church but are very much enjoying getting to know everyone and all of the wonderful ministries that are available.
