Building Committee Congregational Conversation #2
 | Sunday, Dec. 2, 4:30 pm

The Building Committee has worked with our architect team at Turner Batson to incorporate the input they have received in the presentations they have made to the church, lay leadership, and ministerial staff. A new redesign will be presented to the church at this conversation for the congregation's response. This redesign has received the affirmation of lay leadership and ministerial staff and promises to move the church's vision to make ministry possible become a reality. Join us for this important second conversation in Heritage Hall at 4:30 pm. Your voice is important!

In response to input provided our Vision 2020 Implementation Team, we will change our Sunday morning schedule on December 23, going forward into the New Year. This change will allow for more fellowship and interaction among our membership, and a less hectic transition schedule. The last two Sundays of the year, December 23 and 30, will involve a combined worship in the Sanctuary. The concurrent worship will begin on January 6, with traditional worship in the Sanctuary and contemporary worship in Heritage Hall.
