

Project 119 Bible Reading Plan
May 3-June 6, 2020
Proverbs & Psalms 105-129

Are you looking for wisdom on how to best live life in these challenging times? Perhaps you've been tempted to watch the news constantly, to keep up-to-date with what is happening in the world with COVID-19, how stock markets are responding, and what the future might hold. Maybe you've spent the days scrolling through your social media, in an attempt to escape reality or learn new tips for dealing with life in a pandemic. While watching the news and engaging in social media aren't inherently bad things (in fact, Scripture calls us to be engaged with what is happening in the world, to pray for our leaders and public officials, and social media can provide a great opportunity to check in on loved ones in these odd days), in Proverbs 1:7, we learn that "the fear of the LORD is the beginning of knowledge; fools despise wisdom and instruction." During these next five weeks, we want to challenge you to devote time every day to seek out wisdom by reading God's word. We'll read through the book of Proverbs over these five weeks, along with selected Psalms which could be used for your morning or evening prayers. There are five days of reading each week, giving you two days to reflect on what you've read or catch up on any reading you have missed. We hope you'll join us in this journey through Proverbs as we all seek out the wisdom that God has for us in His word.
