

Project 119 Bible Reading Plan June 7-August 1

New Project 119 Bible Reading Plan

For many years we have been providing Bible reading plans to our congregation through our Project 119 ministry. In the past, we have encouraged church members to read five chapters of Scripture each week, providing two days to catch up in the event someone fell behind in his or her reading.

However, moving forward we are taking a different approach. In this new iteration of the Project 119 Bible reading plan, you will find three Scripture readings listed for each day of the week. There will be a New Testament reading, an Old Testament reading, and a selection from the Book of Psalms. If you read all three readings each day, you will read the entire New Testament each year, the entire Old Testament every two years, and the book of Psalms three times each year.

You are encouraged to read as much of the Bible as you can each day. The plan is scalable so that you may go as slow or as fast as needed given your current situation in life. If you have not been consistent in Bible reading in the past or you are in a season of life that is particularly busy due to work or personal concerns, start by reading one chapter per day. If you feel you can make the time to read two or three chapters each day, then add those readings to your daily prayer time. The important thing is that you develop the daily habit of reading the Bible so that you may grow in your relationship

with God, learning to love God with all your heart, soul, mind, and strength and your neighbor as yourself.
