Project 119 Bible Reading Plan

Sunday, October 24 - Saturday, November 27

In this current iteration of the Project 119 Bible reading plan, you will find three Scripture readings listed for each day of the week: a New Testament reading, an Old Testament reading, and a selection from the Book of Psalms. If you read all three passages each day, you will read the entire New Testament each year, most of the Old Testament every two years, and the book of Psalms three times each year.

You are encouraged to read as much of the Bible as you can each day. The plan is scalable so that you may go as slow or as fast as needed given your current situation in life. If you have not been consistent in Bible reading in the past or you are in a season of life that is particularly busy due to work or personal concerns, start by reading one reading per day. If you feel you can make the time to read two or three readings each day, then add those readings to your daily prayer time. The important thing is that you develop the daily habit of reading the Bible so that you may grow in your relationship with God, learning to love God with all your heart, soul, mind, and strength and your neighbor as yourself.
