## Student Growth Groups Expectations

### Presence

**Commit to show up.**

*We'd love you to commit to attend as many of the meetings as you can. We need you to be us.*

### Preparation

**Commit to being prepared.**

*We'd love you to commit to read the weekly passages, think about them, and come prepared to talk about them.*

### Participation

**Commit to engaging in the life of your group.**

*We'd love you to commit to active listening, meaningful and sincere engagement with the group, and holding what others share in confidence. Encouragement and accountability best occur where there is investment, trust, and vulnerability.*
