

Project 119 Bible Reading Plan January 5–February 1, 2020 Romans & Psalms 1–20

As we begin the new year, you may have made some sort of New Year's Resolution. In 2020, we would invite you to consider reading Scripture alongside your church family at Mountain Brook Baptist Church. The reading plan below is for the month of January, and it provides readings for five days during the week, giving you the opportunity to catch up and reflect during the weekend. We will read through the book of Romans and read a Psalm every day. The book of Romans is Paul's longest letter, where he lays out the theology of what Christians believe, and how that theology should make a difference in how we live. The book of Psalms has been called the songbook of the church. The Psalms help inform us in how to pray to God—in times of joy and in times of sorrow. Consider using the Psalms to help guide your prayer time each day by praying through that day's assigned Psalm in the morning or evening. We will print out monthly reading plans in our monthly guides; the plans for February–April will correspond with our Growth Group reading plan.
